

at the forefront of flight **simulation**

what we do

With 20 years' experience behind us we never sit on our laurels. We strive to innovate where we can to continually improve what we do for the benefit of our customers.

- **24/7 spares and logistics support**
- **Component repair and overhaul services for critical maintenance**
- **Aircraft module assembly and flight deck refurbishment**
- **Support for all current commercial aircraft and various military types**
- **Ongoing research and development ensures we adapt to every new challenge**

“Experts in their field. Absolutely excellent service. Quick, clear and correct reaction on RFQ’s. As a manufacturer for Full Flight Simulator, we are guided very well by qualified people at Artemis.”

Eric Teunissen

Simteq

24/7 spares support

Each customer is unique and Artemis has the experience and skill to understand their core support requirements and provide a well thought out service which exceeds expectations.

how we do it

- Dedicated relationship manager
- Experienced and knowledgeable support available 24/7
- Excellent relationships with a global network of approved suppliers and OEMs
- Market-leading logistics partners maximise our global reach
- Proven track record to always deliver a solution

“Our organisation has always had a strong and successful working relationship with Artemis Aerospace which culminates in the high level of service that they have demonstrated to us over the years.”

Boeing Training &
Flight Svs
Brisbane, Gatwick,
Moscow & Shanghai

CAE Centres
London, Burgess
Hill & Gatwick

CAE Centres
Hong Kong, Madrid
& Montreal

East Midlands
Training

IFTC Istanbul

L-3 CTS UK & USA

Lufthansa Aviation
Training

Quadrant Systems

Quest Flight Training

Simteq

Sofia Flight Training

Thales UK

““ We highly recommend Artemis Aerospace as they have always proved to be a very reliable and cost-effective supplier to us. They have been able to source parts for our simulator, which had otherwise proven impossible to locate via alternative contacts.” ”

David Todd

Quest Flight Training

DAN FRITH

Dan manages our flight training department providing specialist support to a wide range of market leaders in flight simulation and pilot training.
